First Inaugural Reception and Poster Session

Join SEER Center faculty, postdocs, and graduate students from across UGA to celebrate the inaugural year of the SEER Center, the opening of the Science Learning Center, and all the other efforts at UGA that are directed towards undergraduate STEM education.

Friday, September 16, 2016
Coverdell Center Rotunda
3:30 pm – 5:00 pm

Posters will showcase the many different educational research initiatives being undertaken by SEER members and provide opportunities for conversation about getting involved in future efforts.

Contact Peggy Brickman (brickman@uga.edu) or Julie Luft (luft@uga.edu) for more information.
Send Poster submissions to Laura Balkcom (lbalk@uga.edu).
